

A Great Place to Live

Our practice is located in Altoona, PA, Blair County, in the heart of the Allegheny Mountains. The area has a rich history and growing business community. The population of more than 126,000 offers urban growth as well as rural towns. We all have chosen this area to pursue our careers and live with our families in an affordable and safe environment that offers a high quality of life. The state-of-the-art health facilities, superior schools, variety of family attractions and wealth of outdoor recreation makes it easy for us to call this home.

With Interstate 99 and close proximity to the I-76 PA Turnpike, we're only a two to four hour drive from Baltimore, Cleveland, Harrisburg, Philadelphia, Pittsburgh and Washington, D.C.

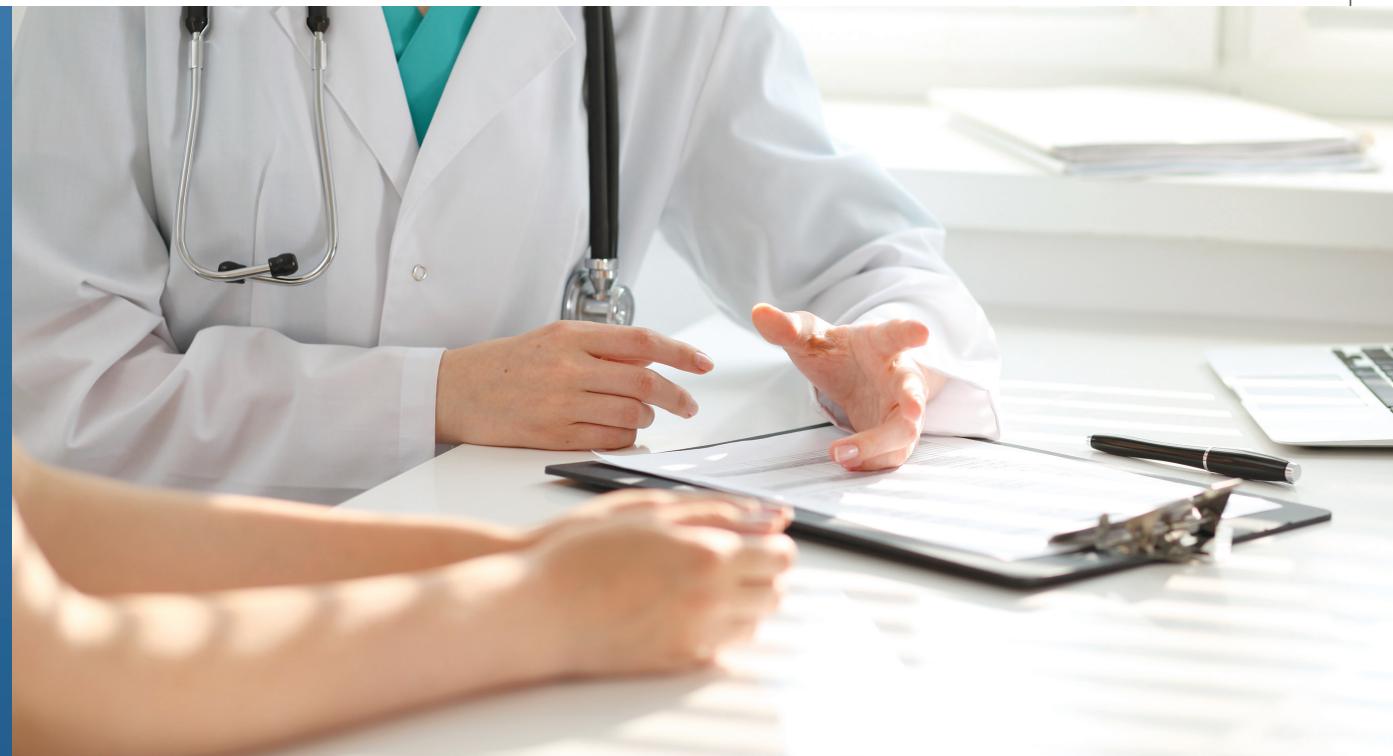

Learning opportunities in our area include excellent public and private schools, several diverse universities and post-secondary educational facilities. Penn State University Altoona campus, Mount Aloysius College, Juniata College and Saint Francis University with higher learning opportunities. We also have several day care and child development centers who offer

affordable programs for infants, toddlers, and preschoolers.

When we are not serving our patients, we take advantage of the area's four distinct seasons that offers exciting and fun outdoor activities with multiple hiking and biking trails, over a dozen golf courses, PA's highest skiable mountain, superb fishing streams, private and public hunting grounds. In addition, you'll enjoy our fascinating historical and educational landmarks, museums and family-friendly attractions, shopping centers and quaint specialty shops, and spectacular AA baseball park. The rich culture of our area offers symphony, plays and entertainment at a famous theater and university facilities.
